The Getaway!

AGM

Durham University Mooting Dinner

## Getaway!!!

Hi everyone!

Thanks to all that have joined the Mooting Society and helped us to get it off the ground this year. Things are moving ahead with an exciting package of competitions and workshops starting next year. For this year and in order to give the society members a brief interlude between the end of the summer term and their summer jobs it has been suggested that a retreat is organised. The aim of the retreat is to try and offer something for everyone whether it is to sit in quiet surroundings and read the book they haven't had a chance to pick up because of all the studying or throw themselves down a mountain bike track at terminal velocity. All for a max of £100 for a week away (society membership required). In order to keep costs down we will be utilising

Youth Hostel Association accommodation and sorting the transport out between ourselves (fuel costs will be covered for those that drive). It should be a great week away in which not only can we relax and enjoy ourselves but also get to know each other a little bit better. If you are interested then please contact John Mothersdale or Wayne Boulton. At [Admin@utms.org.uk](mailto:Admin@utms.org.uk)

John Mothersdale

## Durham University Mooting Dinner

On the 8th of March four members of the University of Teesside Mooting Society attended the annual Durham mooting society dinner at the Marriot Hotel in Durham. The evening was a formal dinner and was attended by several universities. We were welcomed by a champagne reception and were shown to our table where

we were seated with 'mooters' from Sunderland University. Before our three course meal, we had the privilege of listening to a top barrister giving his words of wisdom and giving a few short stories of his life in the legal profession. Later on in the evening, Sir Alan Ward LJ also gave a short talk about his life and experi-

## AGM

Hello it is that time of year. In order for us to continue next year we are required to hold an AGM this term. This is in order to vote for next years committee. For the vote to be officially recognised there must be at least 10 members of the mooting society present. This is your mooting society and so far the committee have been very busy organising things for both this year and next. They need your support in order to make the society the success it can be and to positively promote both Teesside University and your Degree. The mooting society also gives you the unrivalled opportunity to meet your peers and contemporary's in the legal community. So through rain, shine, snow or hail please make an effort to attend!

Wayne Boulton

ences in the legal profession. The information and advice given by these two remarkable people was invaluable and everyone who attended the evening, no doubt, benefited from the wisdom that was imparted on them.
